Highly motivated and enthusiastic individual with a passion for learning new technologies and building innovative web solutions. Seeking an Internship at Go To Admission Pvt Ltd. to develop expertise in web development and contribute to the company's growth. Dedicated and detail-oriented Web Developer with 0 years of experience in HTML, CSS, and JavaScript. Proficient in developing Web Applications and Websites.

## EXPERIENCE

### Web development (Internship)

Go To Admission Pvt Ltd.

December 2022 – February 2023, Noida

• Work that I did on – Html, CSS, WordPress, Canva, SEO (INTERN)

## PROJECTS

### Code Editor web app

In College • May 2023 – June 2023

- Developed Code Editor web app with HTML/CSS/JavaScript, automated testing with Jest/Enzyme, and enabled browser compatibility testing with Browserstack.
- Improved overall performance by 10% and bug fixing rate by 40%, and monitored and identified user experience issues to continuously improve the product.

### Simple Resume Builder web app

In college. • November 2022 – November 2022

- Created a simple web app to build resumes utilizing JavaScript.
- Improved user performance by designing pages which enabled users to quickly build resumes by uploading their educational and professional details. Reduced the average time for resume creation by 33%.
- Optimized page loading time by using AJAX requests and enabled users to add custom sections tailored to their needs.
